## Local Collective Bargaining Survey!

**We need your input!** On October 18th I will be sending out an CB Member survey asking questions to help us with the local part of bargaining. Some of the terminology and history may not be familiar to everyone. Prior to completing the survey, please read the following [brief document](#) for a more detailed explanation of the items you will be asked to rank.

### Executive Vacancy

Do you have an interest in learning how the Local runs? Ever wonder where your levy goes? Would you like to get more involved in your local union and ETFO?

We have a 1 year vacancy on the executive, with the possibility for a second year.

Executive meetings are after school. Mileage is paid. Members from the north may be eligible for release time to attend meetings. There is a small honorarium paid at the end of the year.

If you are interested, please email me directly.

Taking mat leave? Have a question about leaves? Problem with your pay? Please CC me on correspondence with the Board to help ensure proper procedure and CA clauses are followed.

### Student Violence and Aggression

Remember, if you experience or witness aggression or violence, even attempted violence by a student against another student, an adult or yourself, you have a LEGAL duty to report it. Fill out the on-line forms.

Not sure which one? Contact me!

School based reporting is fine, BUT does not replace official Board forms. Both are needed!

**6 Winter Activities for the Outdoor Enthusiast**— One of the many things that makes Canada such a great place to live is its array of beautiful natural landscapes and the outdoor activities that they offer. Just because it's winter doesn't mean that you can't enjoy them. In fact, there are many outdoor activities that are still possible (if not better!) in the winter months. visit [www.otipinsurance.com/article34](http://www.otipinsurance.com/article34)
